#### **Logo Rubber Stamps:**

This was the last day for signing up for a spot on the logo sheet.

#### **Fall SAPCG Show:**

We have 11 spaces filled. Pancho has been putting out flyers. She'll print out a few more for people to distribute. The classes are all lined up.

#### **Grant Diffendaffer Workshop:**

We have 13 students attending the class. Patty shared some info on specifics of the class. Grant will have two display cases out showing his work. One person took a spot in the class during the guild meeting. There's one space available.

#### **Priscilla Earl:**

Has been in the hospital for awhile. We decided to do an accordion book/get well card for her—everyone who wanted to participate made small tiles that will be put onto the cover(s) of the book. The inside will have a get well message from us.

#### **Necklace Contest:**

Postponed.

**We adjourned the business meeting at 1:15 p.m.**

#### **Bring and Brag:**

Jean Anne brought in some pendants. Pancho made a necklace with some pc beads. Patty had some samples of her wild animal print pieces for the class she was doing on Sunday. Patty was also in Art Jewelry Magazine with an article on doing transfers. Sharlin had a swirl pendant she made.

#### **Program:**

Eva taught everyone how to make accordion books with relief work on the covers.
