

## San Antonio Polymer Clay Guild Meeting

### Minutes

November 24, 2007

- I. Monthly Reports
  - A. Membership Report....Pancho absent
  - B. Treasurer's Report.....Amy absent
  - C. Bottles of Hope....Priscilla brought the bottles from last month and had members choose winning bottle...it went down to a tie breaker...Ruphia's bottle beat Ginny's by one vote.
  
- II. New Business
  - A. New Home...The Chandler Senior Center is available for \$150 a year. This would entitle us to meet there whenever we need (for future classes as well as play days.) Plus, we'd get a discount on the lunches served...Patty moved that we pay the \$150 for this service, Ruphia seconded, no discussion, vote taken, all approved.
  - B. Denise has stepped down from Webmistress, Sharlin agreed to take up the slack until next term begins.
  - C. We voted to have the December meeting. It will be December 22<sup>nd</sup> with a snack potluck and a gift exchange for those who want to participate--\$10 clay related item
  - D. Ginny announced that for January's program she's planning to have a "Polymer Clay Throw Down." She'll give us more info as the time approaches.
  - E. Ginny also announced the next challenge—she'll email us a copy of a poem about a necklace made of special beads and further instructions.

Bottles of Hope: Only 2 bottles brought...Maureen won Bottle of Hope challenge for November. (ok, so they were both my bottles...)

Bead Jar: Linda had the bead jar.

Patty's program went well—snowman abounded...along with a very handsome elf and a few fairies.

Raffle—we raised \$16!
